To: Friends of Rory Noland.

Dear friends of Rory Noland, we are very thankful for the way you help Rory and make possible that he comes to Cuba to serve and teach us, helping to edify musicians and worship leaders in our Convention; the Cuban churches, the pastors, the leadership in general, are all committed to pray for you, and we ask God to bless you in a great measure. Brother Rory is a great blessing for the Cuban people; with his conferences, we the Cuban Christians have learned to serve Him better.
